

Virginia Football Parking 2000

Virginia Football Parking 2000

Information Brochure

The Carl Smith Center, home of the expanded Scott Stadium, will provide fans a unique college football experience. All reserved parking adjacent to the stadium is available to qualified Virginia Student Aid Foundation donors. However, the university has identified additional general public parking spaces for the 2000 football season to accommodate the increased fan attendance. The new parking includes UVA parking lots at North Grounds, areas at the Fontaine Research Park, and garages located in the UVA Health System area and in Downtown Charlottesville. This brochure has been developed to assist fans in choosing the right parking option for their needs.

Game Day Options:

- **Parking in Downtown Parking Garages - Per Game Price: \$3.00, plus \$2.00 per person round trip for bus shuttle:** Parking spaces may be available in one of the garages located on Market or Water Street. Patrons may utilize the football bus shuttle from this location to and from the Stadium at a cost of \$2.00/person. Both the garages and the shuttle are wheelchair accessible. On game day, the \$3.00 parking fee is honored all day and evening. Before and after the game, you can take advantage of over 150 shops, restaurants, and galleries located in the historic buildings of old Main Street. **Directions to the Downtown Garages** – Utilize exit 121 off Interstate 64 and follow the 3-Presidents signs to downtown.
- **Parking in the UVA Health System Parking Garage at 15th and Monroe Street - Per Game Price: \$10.00:** Parking spaces may be available in the parking garage located at 15th & Monroe Street. The garage is located within a 10-15 minute walk of the stadium and no bus shuttle service will run from this location. This garage is available three hours before kickoff. **Directions to UVA Health System Garage** – Utilize exit 120 off Interstate 64 and travel towards Charlottesville. Turn left at the Cherry Avenue traffic light. Turn right at the 9th/10th Street Connector traffic light. Turn left into the UVA Hospital area. At the three way stop go straight one and one half blocks to the entrance gates of the Health System Parking Garage.
- **University Hall - Free on first come/first served basis:** Walk to the stadium via Alderman Road. Please note that shuttle bus services for general public are no longer provided from this location. **Directions to University Hall** – Utilize exit 118B off Interstate 64. Take second exit onto Route 250 Business East. Turn left at second traffic light onto Copeley Road.
- **Fontaine Research Park - Free on first come/first served basis:** Walk to the stadium via pedestrian walkway and Stadium Road. Parking lots are available three hours prior to kickoff. **Directions to Fontaine** – Utilize exit 118B off Interstate 64. Take first exit and turn right at bottom of the ramp onto Fontaine Avenue. Turn right into Fontaine Research Park.
- **UVA Lots** throughout North Grounds including the spaces at The Park.

Free Option for people with disabilities:

A UVA parking lot, located near The Park (corner of Arlington and Massie Roads), has been identified as free parking for people with disabilities. A DMV handicap placard is required to utilize the parking area. A free bus shuttle will run from that location to the Stadium for people with disabilities.
